

Welcome to the Chamber

A GUIDE TO MEMBERSHIP

WELCOME TO THE CHAMBER!

New Chamber Member,

Thank you for joining and choosing to join the Kanab Area Chamber of Commerce.

Members like you allow the Chamber to provide important services to area businesses and the community. We are committed to doing all that we can to keep you informed and support your business or organization. Please don't hesitate to contact us if there's any way we can help your business to continue to grow.

I encourage you to participate in Chamber events and activities, and most of all to use the Chamber as a resource for your business. We'll notify you about our programs and events via email, but you can also find a calendar of events at our website: kanabchamber.org.

Your Chamber membership provides you with many benefits, including:

- A listing in our online Business Directory
- Discounted rates and/or exclusive invitations to our programs and events
- Business referrals and consultations
- Subscription to our monthly email newsletter and breaking news updates

Welcome to your membership, and thank you for your commitment to the community.

About the Chamber

Established in 1967, the Kanab Area Chamber of Commerce is a nonprofit organization whose members are individuals and business owners interested in developing their businesses, growing our economy, and strengthening our community. We work with our members and partners to make Kanab and the Kanab area the best place to live, work, and do business.

The Chamber is an independent nonpartisan organization. Like most trade organizations, the Chamber is categorized as a 501c6 nonprofit corporation governed by its Board of Directors. All board members and officers are volunteers, and are not compensated for their service. Revenue from membership fees covers the cost of member lunches, breakfasts, and events including training, seminars, and summits, as well as the cost of our online business directory, monthly newsletter, and administrative costs.

What we do

CONNECT

We bring businesses and people together through membership, programs, training, and events.

PROMOTE

We want our members to be successful. We promote members on our digital and traditional platforms and through referrals.

DEVELOP

We are here to help people and businesses get what they need to be successful, learn more about working in the community, and improve outcomes for employers and job seekers.

ADVOCATE

We act on behalf of our members to influence civic, social, and economic activities that support community growth.

“Membership in the Kanab Area Chamber of Commerce allows me to collaborate with other businesses owners and be supported by professionals in the community. I appreciate the chamber’s free and discounted services, such as the shop local campaign, rack card program, and business training. Chamber meetings are an excellent way to visit with other businesses owners and glean inspiration from them.”

- Susan Honey, Honey’s Fuel Center & Garden Nursery

Member Benefits
